

**2 million** children have an incarcerated parent. Children who have a parent in prison are **5 times** more likely to go to prison than other children.

**Learn more** about the challenges children face when they have an incarcerated parent, and how to better serve and support them.

## Children of Promise

**Understanding and Supporting Children Impacted by Parental Incarceration**

*Presented by: Connie Rodriguez, M.Ed., Early Care and Education Specialist*

**A presentation providing teachers, social workers, childcare providers and community members with:**

- Statistical information regarding children impacted by parental incarceration
- An overview on child development as it relates to the impact of an incarcerated parent
- Research on risk and resiliency factors
- Strategies for supporting children and families
- Information on jail/prison visits
- Biases and barriers which hinder supporting families and children
- A list of local, state and national resources

For more information, including cost, contact Connie Rodriguez at (585) 295-1000, ext. 238. Group presentations can be scheduled at a location of your choice or at Children's Institute.
