

PREPARING YOUTH TO THRIVE

www.selpractices.org

The David P. Weikart Center for Youth Program Quality recently partnered with the Susan Crown Exchange (SCE) and eight exemplary afterschool providers to create *Preparing Youth to Thrive: Promising Practices in Social and Emotional Learning*. This field guide shares best practices and actionable tools and tips for equipping youth with skills critical to succeed. To learn more, visit www.selpractices.org.

We all know it's time that social and emotional learning is part of every program. Check out the guide and contact sel@cypq.org for more info.
